NUUSBRIEF FEBRUARIE 2014

## SIMMENTALER NASIONALE KAMPIOENSKAPPE

We would like to encourage all Simmentaler breeders to enter animals for the agricultural shows 2014. Simmentaler National Championships will be held in 2014 at the Windhoek show to celebrate 121 years Simmentaler in Namibia and 50 years Southern African Simmentaler Society. Each and every breeder should be part of this special occasion, not only in the 121 yrs memoir that will be published but also on the shows. Showing is a very strong marketing tool for the breed and the individual breeders, often underestimated by studbreeders. With the active participation of all breeders 2014 will be the Simmentaler year feeding Namibia.
